OPENINGS, MOVES & GROWTH

Spa Anjali has opened at The Westin Riverfront Resort & Spa in Avon, CO, featuring 14 therapy rooms and mountain-inspired treatments, such as the River Healing Stones and Himalayan Journey to Serenity. The 23,000-square-foot space, which has an eco-friendly construction, also uses its own custom-made products and an outdoor saltwater pool. 970-790-6000

Using organic products and environmentally friendly construction and design, **Recess Nail Spa**, which has opened in West Hollywood, CA, offers clients refreshing manicures and pedicures while also helping the Earth and inspiring healthy living. 714-747-5312

Roswell, GA, is home to the new **SpaDelic**, a unique take on the spa environment. Treatment choices include facials, microdermabrasion, body scrubs and massage, and the spa offers iPods for clients to listen to during their revitalizing services. 770-992-7721, kelly@spadelic.com
